Dear President Trump:

Border Security is the fundamental element of any nation's independence. The Federal Law Enforcement Officers Association (FLEOA) represents approximately 27,000 federal agents and officers in 65 federal agencies. Many of our members are assigned to various components of the Department of Homeland Security.

We strongly support the President's goal to properly support the needs of the men and women whose mission it is to protect and defend our borders. FLEOA stands with our Immigration and Customs Enforcement (ICE), Border Patrol (USBP), and Customs and Border Protection (CBP) members who have dedicated their lives to protecting our citizens and our borders.

We applaud the President's initiative to build a barrier along the Southern border and to properly reinforce the needs of ICE, USBP, and CBP officers.

Sincerely,

Nathan R. Catura
